

Welcome!

This Camp Guide is your harbinger of summer fun and excitement. Children 2 years of age through teens are encouraged to "Get Up, Get Out, and Get Active."

Summer Camp 2004 registrants can choose from: Sports, Science, Nature, Dance, Crafts, Skateboarding, Swim, Arts, Theatre and Multi-Sports. We also provide transportation for many of the camps with pick up stops throughout the City. Childcare before and after camp is offered. Teens have the opportunity to get involved in week-long adventures in Horseback Riding, Biking and Destination Outdoors. The new Teens On The Go program offers trips and special events as well. Look for more information in Summer 2004 guide.

We promise to provide a safe and fun environment, where campers can enjoy new activities and make new friends. We will maintain the highest standards in the areas of safety, staff recruitment, camper to staff ratios and activities that challenge our children.

So, what are you waiting for? Sign up early to assure yourself a summer of fun and adventure.

Sincerely,

Philip L. Bryan

HOME STRETCH

Afternoon extended day, for camp participants only, includes general recreational activities from 3-6 p.m. each camp day. Enjoy a snack, crafts and games in a less structured environment than the regular camp day. Campers are bused or walked to Welsh Park where staff meet and greet them. From there, they are escorted to Beall Elementary School. A limited number of spaces are available. Parents will be responsible for picking up their camper(s) at Beall Elementary School by 6 p.m.

Drop-off and pick-up of campers is at Croydon Creek Nature Center. A letter with details (what to bring, what to wear, and daily activities) will be sent two weeks prior to the beginning of each camp.

BIOLOGIST BOOT CAMP

Discover, research and survey Maryland wildlife in this interactive, hands-on camp. From bluebirds to raptors and deer mice to coyotes, you'll learn how to study wildlife and see them in their habitats. This is a hands-on experience that will give you a bird's eye view into research, endangered species, conservation and the reasons behind decision making. Field trips, guest speakers and individual research projects will guide this exploration into the world of predators, prey, parasites and saprophytes. Note: Some camp hours will differ in order to study wildlife at the ideal time.

NATURE'S RESOURCES CAMP

We all need food, water and shelter to survive. Do you know where your water comes from before it comes out of the faucet? How much electricity do you use? Visit a farm and pick some strawberries and peaches, see where your trash and recyclables go with a visit to the recycling center and the dump, visit the water treatment plant and electrical plant to see how the food we eat, the water we drink and the power we use originate.
